**A year
of Service,
and more ...**

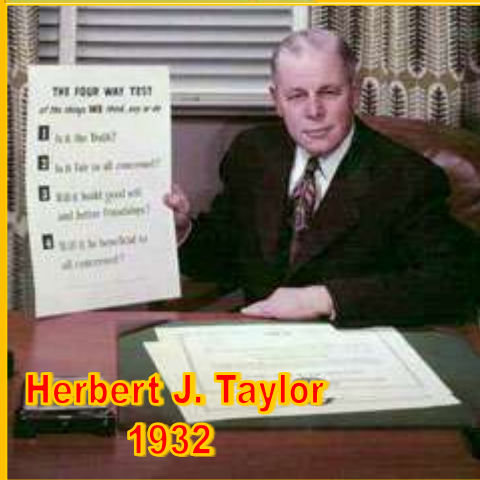

Objectives of the session

Evaluate the whole process of training undertaken to date to deal calmly and professionally the rotarians "tasks" which we have been entrusted with.

**Remembering together that ...
the future does not simply happen ...
our task is to create it**

The Four-Way Test

Of the things we think, say or do ...

1. Is it the **TRUTH**
2. Is it **FAIR** to all concerned
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**
4. Will it be **BENEFICIAL** to all concerned

The Manual of Procedure

**is a comprehensive guide to Rotary,
its principles and objectives,
its organization and its programs.**

**It contains the binding rules
that can only be changed
by the Council on Legislation,
Rotary International Parliament.**

We remembered together that ...

It is very important!

*To talk about **ROTARY**
in the clubs, sometimes.*

Basic elements for success

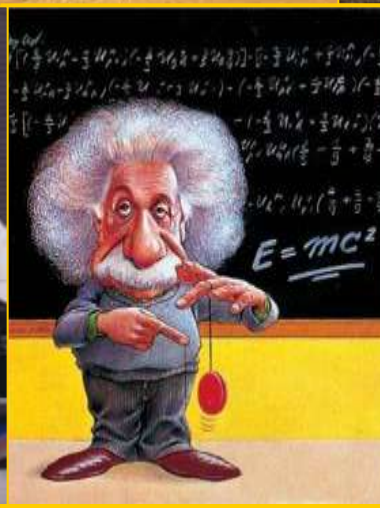

Being leaders in Rotary

What a good Rotarian leader must not do

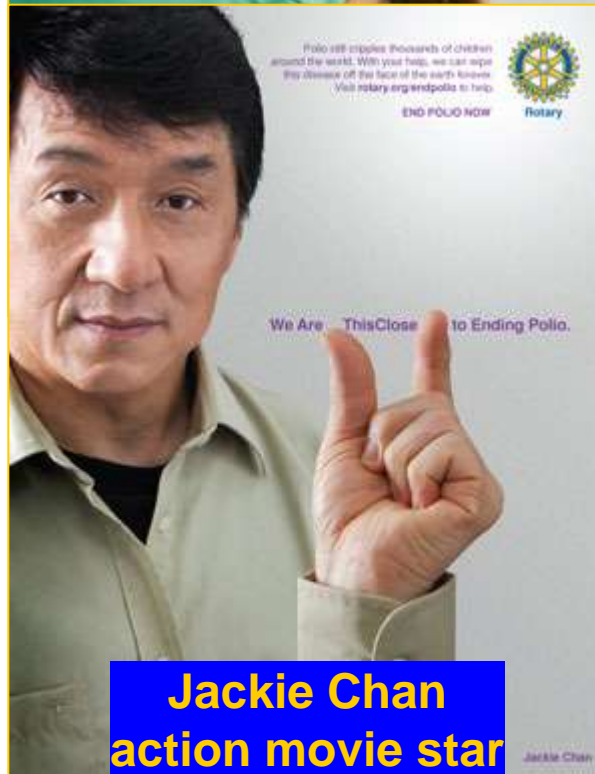

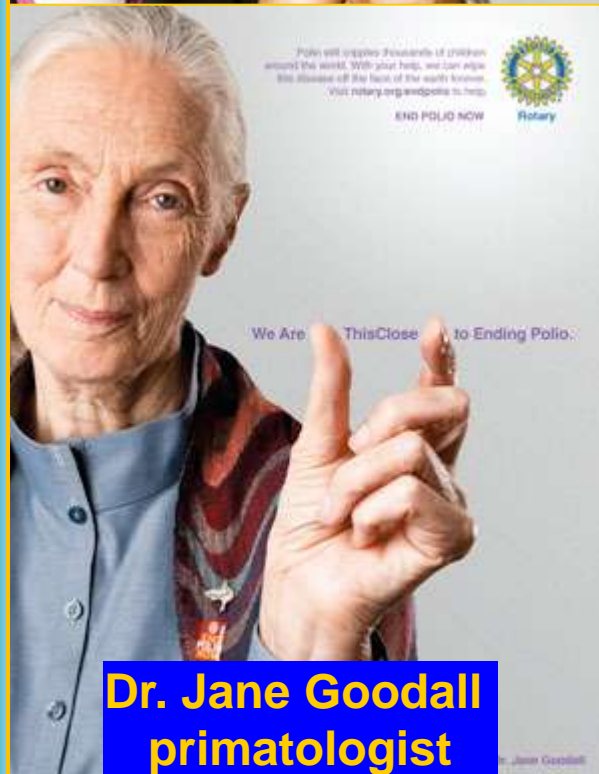

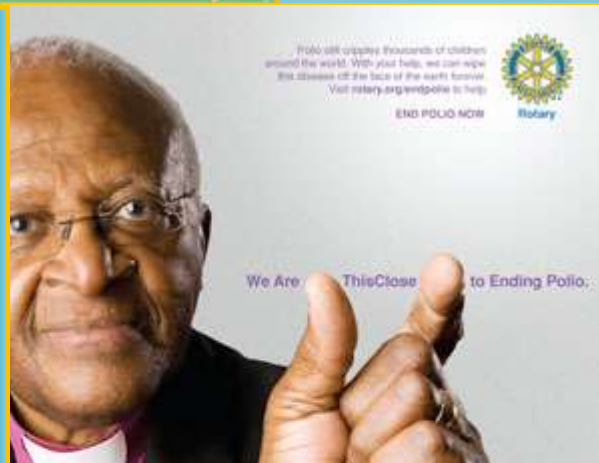

Rotary Foundation

**We must use and support
"our" Foundation**

“We are this close to ending Polio”

“The Bill Gates challenge”

for “A polio-free world”

was intended to challenge Rotary to raise 200 mln USD within June 30, 2012.

The challenge has been won and the goal was reached well in advance thanks to the rotarians worldwide.

This success has enabled us to enjoy an additional bonus of 50 million USD that the Bill & Melinda Gates Foundation, to witness the commitment of Rotary, wanted to make available to the Rotary so as not to let the guard down and so as to continue, with great determination, the battle against this terrible disease.

It would be nice, if each of us, supported a “*personal*” challenge against Polio

their work of service.**

of thanksgiving
to members for their work.**

Stimulating others to make their contribution.

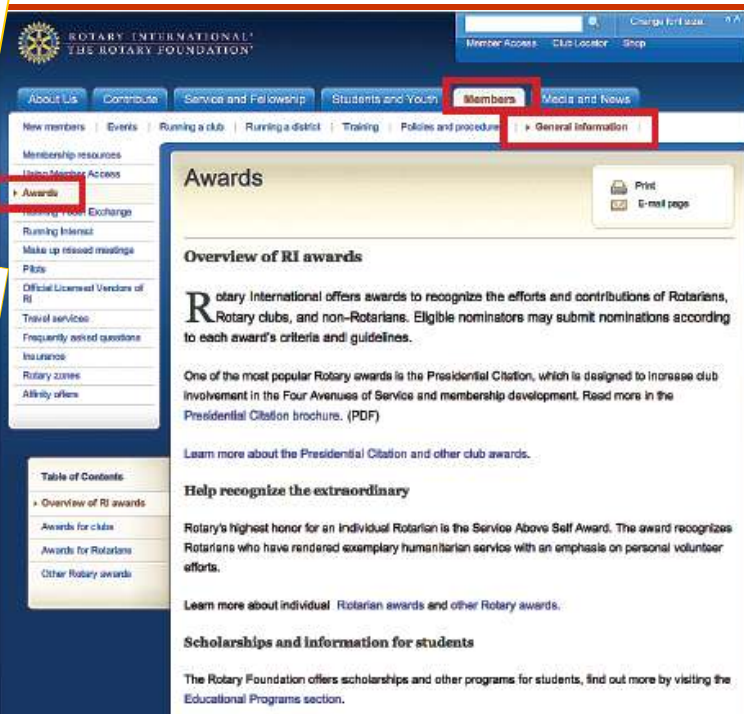

**They are a sign of appreciation for the

We are talking about Rotary ...
we must remember, all together, that...

There is a time for everything
We try always to find time
to devote to "our" Rotary

“our” year for peace ...

Sakuji Tanaka
Rotary International President
2012-13

Allow me a poetic ...

**Here We are in Favignana,
a place of magic ...
here lighthouse at Punta Sottile
guides the route for sailors,
and the sunset colours,
the blue sea and sky
with dreamlike nuances
of pink and red**

**Allowing myself to be charmed
by the beauty of these places**

**I wish You all every success.
May this experience
shared in Favignana
guide us along our rotarian path,
lighting in each of us
loads of enthusiasm
such as to reach
all the objectives
that there are now clearly outlined.**

Let our lewave a significant footprint

in our Club, in District, in Rotary

My best wishes
for Rotarian Year 2012-2013
to all!
