Club Meetings

Board Meetings

The Board is the executive body of the club and thus must meet at least once a month.

Weekly Meetings

The club usually meets once a week on the day and time specified in the Club's Bye-laws. For valid reasons, the board may postpone the meeting to another date (but prior to the next meeting).

The meetings organised by the club allow fellowship between members and provide them with appropriate programmes to improve their knowledge of Rotary and to increase their motivation to participate in service activities of the club in favour of the local and international community. For example, weekly meetings may be organized according to the following scheme:

1. Meeting dedicated to the theme of the month
2. Meeting dedicated to fellowship
3. Meeting dedicated to club and district projects, which could for example be presented by the committee chairmen
4. Convivial Meeting devoted to a topical issue

Club Assemblies

A Club Assembly (AGM) is an ordinary meeting during which members discuss the programmes and activities of the club and consider topics of particular importance (election of executives, changes to regulations provided that these do not conflict with the statute of either the club or of RI, etc.). The standard club statute provides that the annual Assembly for the election of directors takes place not later than the 31st December.

Administrative Formalities

Contributions to Rotary International

The half-yearly instalments paid to RI provide for the administrative operation of our association and the financing of important programmes (Rotaract, Interact etc). Membership fees for Rotary International Rotary year 2012-2013, approved by the Council of Legislation of 2010, amount to US\$26.00 per member per semester (6 months).

All clubs will be charged an additional US\$1.00 per member in the six-monthly invoice for July as a contribution to the reimbursement of the costs of the Council on Legislation. Some half-yearly invoices may also include US\$12.00 for the annual subscription to The Rotarian, divided into US\$ 6.00 in January and another US\$ 6.00 in July.

Summary of Contributions to RI	
Period Ending	Due
1 st July 2012	US\$ 27.00 Membership
1 st January 2013	US\$26.00 Membership

At the Rotary rate of exchange of the month of March 2011 (US\$ 1 = 0.75 euros), the total annual cost of contributions to Rotary International is equal to EUR 39.75 per Member, plus any subscription to The Rotarian.

Contribution to District

Rotary Clubs in the District pay quarterly dues amounting to EUR 27,50 per member. However a concessionary rate applies for the island clubs within district which is currently set at an annual EUR50 per member. Ideally this should be paid by the time of the Governor's visit.

Contributions to Rotary Foundation

All contributions to The Rotary Foundation are voluntary, however it is worth remembering that regular annual donations are the cornerstone of Rotary's humanitarian projects.

To celebrate the centenary of Rotary in a special way and ensure the future growth of the Rotary Foundation, the Council on Legislation of 2001 had set a target contribution of US\$ 100.00 per member launching the EREY campaign *EREY (Every Rotarian Every Year)*

Considering that payments made in favour of Rotary Foundation after the 30th April 2013 may be credited to the club in the following year, we recommend that you make donations according to the following schedule:

- prior to the 1st November 2012: US\$ 50,00 per member
- prior to the 1st February 2013: US\$ 50,00 per member
